Condition - Return

- Upon receipt of the equipment in our workshops, a support email will be sent to you. Our quote will reach you within 10 days (average time).
- In the event of a quote being refused, or if the equipment proves to be irreparable, you will be charged a flat rate. It includes the costs and time of diagnosis, administrative costs and the return or destruction of the material. If you decide to renew your equipment with an equivalent new device provided by our service, this flat rate will not apply.
- Repair work will only start upon receipt of your order.
- In order to support you best, please complete all fields (*) and attach this form with the material.
