## Life depends on light.

#### Products & Services include:

Intrinsically Safe Lighting Fire & Safety Lighting Headlamps & Head Gear Lights Area Lights & Outdoor Flood Lights Hand-held LED Torches

Nightstick, designed and manufactured by Bayco Products, Inc., is a global brand of professional lighting products including flashlights, headlamps and Intrinsically Safe lighting solutions that exceed the industry standards in performance, quality, user-safety and value.

Nightstick products are built not only with lumen ratings that exceed most competitor products, but also with optimized performance characteristics such as candela, beam distance and runtimes. The design must take into consideration all of these factors to impact a light's efficiency and performance. The Nightstick product line uses CREE® LEDs, the #1 LED manufacturer in the world.
